

## TABLE OF CONTENTS

### IEEE International Technology Management Conference 2011

Platinum Sponsor Profile .....	iii
--------------------------------	-----

#### **Session A1 - Venture Capital, Institutional Environment and Entrepreneurship**

Session Chair: Poh Kam Wong, National University of Singapore

<b>Venture Capital and New Venture Growth: A Comparative Study Between India and China</b> .....	1
Fang-cheng Tang and Ru-qing Wei, Beijing Jiaotong University	
<b>Venture Capital Funding of Asian Entrepreneurs in Silicon Valley: A Longitudinal Analysis</b> .....	9
Poh Kam Wong, Yuen Ping Ho, Annette Singh, Entrepreneurship Centre, National University of Singapore	
<b>R&amp;D Continuity of Biotech Start-ups under Global Financial Crisis</b> .....	19
Takao Fujiwara, Toyohashi University of Technology	
<b>Entrepreneurs' Response to Failure in Early Stage Technology Ventures: A Comparative Study</b> .....	29
Keith Cotterill, University of Cambridge	
<b>Bringing Entrepreneurial Ideas to Life</b> .....	40
Charles Eesley, Stanford University; David Hsu, Wharton School, University of Pennsylvania; Edward Roberts, Massachusetts Institute of Technology	

#### **Session A2 - Adapting to Changing Management & Career Paths**

Session Chair: Kimball Williams, Past President, Electromagnetic Compatibility Society

<b>Managerial Career Learning in Engineering: An Integrated Approach</b> .....	61
Quey-Jen Yeh, National Cheng-Kung University; and Tai-Ping Chang, National Kaohsiung First University of Science and Technology	
<b>The Challenge of Career Path Uncertainty for Internal Corporate Ventures</b> .....	67
Gordon Adomdza, Mathew Allen, Marc Meyer, Northeastern University	
<b>The Role of Technology Agility on Business Processes and Organizational Agilities</b> .....	77
Denise Dunlap-Hinkler Tucker Marion, John Friar, Northeastern University; Ronaldo Parente, Rutgers University	
<b>A Collaborative Engineering Manager Training and Certification Program</b> .....	86
Benjamin Dow, Jr, and William Daughton, Missouri University of Science & Technology	
<b>Stretching Role Breadth: Overachieving IT Managers in Underperforming IT Organizations</b> .....	89
Linda Pittenger, Dick Boland, Sheri Perelli, Case Western Reserve University	
<b>Can Agency Theory Disclose Organizational Commitment? Exploring Employees and Agency Workers</b> .....	100
Pei-Chen Chen and Shih-Chieh Fang, National Cheng Kung University	

#### **Session A3 - Managing Innovation**

Session Chair: Celia Desmond, Chapters Chair, Technology Management Council

<b>Researching the 'Forgotten Sector': Low and Medium Tech (LMT) Innovation - Present Light on Future Trends</b> .....	103
Muhammad Nouman, Lorraine Warren, Stephen Rhys Thomas, University of Southampton	
<b>Innovation in e-Business Models: A Net-Enabled Business Innovation Cycle (NEBIC) Theory Perspective with Empirical Evidence</b> .....	114
Abdullah Basiouni and Rod McNaughton, University of Waterloo	

<b>Challenges in Managing Diffusion of Telemedicine Technology in South Africa</b> .....	121
Michael Ogembo Kachieng'a, University of Pretoria, South Africa	
<b>Research on the Mechanism of Building Total Innovation Management System via Information and Communication Technology: Case Studies in the Context of China</b> .....	126
Qingrui Xu, Lu Jin, Liang Mei, Zhejiang University	
<b>Integrating User Perception and Experience into the Technology Acceptance Model: An Empirical Investigation of Online Payment Service Innovation</b> .....	134
Chyi Jaw, National Yunlin University of Science & Technology; Oliver S. Yu, Kenneth C. Gehrt, San Jose State University	
<b>Technology Commercialization Factors, Frameworks and Models</b> .....	144
Joe E. Amadi-Echendu, and Ricky T. Rasetlola, Univ of Pretoria	

### **Session B1 - R&D Mangement I**

Session Chair: Animesh Debnath, University of Burdwan

<b>A Comparison of International R&amp;D Strategies of Chinese Companies in Europe and the U.S.</b> .....	149
Jieyin Zhang and Alberto Di Minin, Scuola Superiore Sant'Anna; Xiaohong (Iris) Quan, San Jose State University	
<b>Key Drivers of Organizational Performance in Times of Crisis</b> .....	158
Wei-Tsong Wang, National Cheng Kung University	
<b>On Global Diffusion of Electrical and Electronics Engineering Research: An Extensive Quantitative Analysis of IEEE Publications (1980–2008)</b> .....	165
Nobuyuki Shirakawa, Takao Furukawa, Minoru Nomura, Kumi Okuwada, National Institute of Science and Technology Policy (NISTEP)	
<b>Comparing Organizational Structure and Design in Canadian &amp; Russian Enterprises Based in P.R. of China (Specialized in Hi-tech and Nano-technologies)</b> .....	173
Denis Pedyash, Chunsheng Shi, Xiaoli Meng, Harbin Institute of Technology; Denis Pedyash, Far-Eastern Federal University; Olesya Shulgina, Amur State University; Eduard Dushenko, International Engineering Design Studio	
<b>Research on Microelectronics Outsourcing</b> .....	181
Viraj Pandit, Novellus Systems Inc; Surabhi Patwardhan, University of Houston	

### **Session B2 - Information Technology and Systems Sustainability**

Session Chair: Charles Rubenstein, Pratt Institute

<b>Impact of Sustainability on Integration and Interoperability between BIM and ERP – A Governance Framework</b> .....	187
Saumyendu Ghosh and Mirosław J. Skibniewski, University of Maryland; Sam Negahban, Brawner Builders, Inc.; Young Hoon Kwak, George Washington University	
<b>The Formation Mechanism of IT-Driven Emerging Industries: A Perspective of Generalized Ecological Community</b> .....	194
Weihui Dai and Hongkun Song, Fudan University; Ni Xu, Delphi Shanghai Dynamics & Propulsion Systems Co., Ltd; Genghui Dai, Sun Yat-Sen University	
<b>Application of Systems Engineering Methodologies to Transitions to Sustainable Technologies: An Architecture Framework Supporting Management of Portfolios of Sustainable Technology Transition Projects</b> .....	201
Kim Davis, Thomas Mazzuchi, Shahram Sarkani, The George Washington University	
<b>A Smart Phone Hosted, Low Powered and Eco-Friendly E-Commerce System</b> .....	206
Shuchih Ernest Chang, Yu-Teng Jang, Ming-Hsuan Tsai, National Chung Hsing University	
<b>A Fuzzy Expert System for Elemental Life Cycle Estimate</b> .....	212
Nannan Wang, Shandong University	

## Session B3 - Improving Innovation Productivity

Session Chair: Luke Maki, President, Technology Management Council

<b>Technology and the Growth of the Manufacturing Firm.....</b>	<b>222</b>
Steven Formanek, The American University in Cairo	
<b>Efficiency and Advantage of Government-sponsored R&amp;D Projects: An Inter-industry Comparison.....</b>	<b>231</b>
Chao-Chih Hsueh, National Pingtung University of Science and Technology; Fang-Ming Hsu, National Dong Hwa University	
<b>Factors Affecting Improved Innovation Output in Service Sector Firms.....</b>	<b>239</b>
Christopher McGrath and Jennifer Percival, University of Ontario Institute of Technology	
<b>The Co-Evolution Effects of Technological Capabilities and Business Configuration on Technological Trajectory.....</b>	<b>247</b>
Yi-Chia chiu, National Chengchi University; Tai-Yu Lee, National Chung Hsing University	
<b>Introducing Innovations into Serbian Companies Organizational Culture: Questionnaire and EFA as Tools for Researching Employees' Assumptions .....</b>	<b>254</b>
Mladen Pecujlija, Ilija Cosić and Zoran Delic, University of Novi Sad	

## Session B4 - Dialog Session

Session Chair: Atif Shaikh, IBM Corp, ITMC Co-Chair

<b>When to Commit to a Prior Technological Entry: A Multi-theoretical View on Follow-up Patenting.....</b>	<b>264</b>
Hsueh-Liang Wu and Jung-Ching Lin, National Taiwan University; Cheng-Yu Lee, Southern Taiwan University	
<b>An Insight into R&amp;D Collaborations.....</b>	<b>274</b>
Muhammad Fiaz, Yang Naiding and Muhammad Rizwan, Northwestern Polytechnical University	
<b>Switching Online Channel Brand to Offline Channel Brand .....</b>	<b>279</b>
Shui-Lien Chen, Wei-Ting Lu and Chun-Yang Lo, Tamkang University; Yung-Hsin Lee, National Taiwan University of Science and Technology	
<b>Local Governance in Industrial Clusters: Pproposal of a Management Model and a Self-assessment Tool .....</b>	<b>284</b>
Rafael Henrique Palma Lima and Luiz Cesar Ribeiro Carpinetti, University of Sao Paulo	
<b>A Comparative Investigation on IT Improvement Opportunities between Korea and Thailand: A Critical Study Based on United Nations' E-Government Indexes .....</b>	<b>290</b>
Joong Mook Choi, Assumption University	
<b>Fertilizer Production by Biodegrading Lignocelluloses and Process Design .....</b>	<b>299</b>
Weizun Li, Meiting Ju, Yannan Wang, Tie-Long Li, Le Liu, Er-Fu Guo, Nankai University	
<b>Selection of End user in Supply Chain Network using Fuzzy–Pareto Approach.....</b>	<b>302</b>
Jinesh Kumar Jain, Govind Sharan Dangayach and Gopal Agarwal, Malaviya National Institute Technology; Soumya Banerjee and Partho Dey, Birla Institute of Technology	
<b>Economic and Educational Perspective on Outsourcing/Offshoring Microelectronics in India .....</b>	<b>309</b>
Viraj Pandit, Novellus Systems Inc.	
<b>Job Performance of Subcontractor Workers in the Construction Industry .....</b>	<b>315</b>
Ying-Hua Huang, and Kuo-Wei Lu, National Yunlin University of Science and Technology	

## Session C1 - R&D Mangement II

Session Chair: Mohammed Bakhshwain, University of Southern California

<b>Comparative Study of University Technology Transfer between Germany and China.....</b>	<b>318</b>
Shuiyuan Tang, Jiping Lu, Harald Kunz and Jianhua Zuo, Beijing Institute of Technology; Zhonghua Jian, China North Industries Group Corporation	
<b>Managing Innovation Practices of SMEs in the Caribbean: An Exploratory Study .....</b>	<b>324</b>
Ambika Koonj Beharry and Kit Fai Pun, The University of the West Indies	
<b>Energy Related Outsourcing: The Case of ESCOs in the Swedish Pulp and Paper Industry .....</b>	<b>329</b>
Patrik Thollander and Mikael Ottosson, Linkoping University	
<b>A Case Study on the Road to IP Telephony: A Company's Strategic Decision to Move Toward the Next-Generation Network .....</b>	<b>338</b>
Mohammed Bakhshwain, University of Southern California	
<b>Option-Games Analysis on Software Clusters in China.....</b>	<b>346</b>
Yuhua Hu and Takao Fujiwara, Toyohashi University of Technology	

## Session C2 - Innovative Business Models

Session Chair: Poh Kam Wong, National University of Singapore

<b>Inclusive Growth through Resource Integration to Serve the High End Market.....</b>	<b>351</b>
Xudong Gao, Yunhuan Tong, Liping Zhang, Jianghua Zhou, Xi Shao, Tsinghua University	
<b>Patent Valuation for Innovative Business Models in Start-up Companies and University Spin-offs.....</b>	<b>357</b>
Paul Pöltner, Thomas Grechenig and Martina Pöll, Vienna University of Technology; Thomas Schwingenschlögl, IMMOFINANZ AG; Andreas Gotwald, TPA Horwath	
<b>Exploring the Formation Management of Two-Sided Platforms.....</b>	<b>363</b>
Thomas Bohné, The University of Auckland Business School	
<b>Commercial Communications Satellites - A Unique Business Model for Space Programs .....</b>	<b>368</b>
Larry Wray, Gerrit Van Ommering, Brian Kosinski, Space Systems/Loral	

## Session C3 - Information Networks

Session Chair: Luke Maki, President, Technology Management Council

<b>Knowledge Assimilation in R&amp;D Alliance: The Effectiveness of Firms' Internal and External Capabilities.....</b>	<b>379</b>
Ming-Chao Wang, National Cheng Kung University; Cheng-Yu Lee, Southern Taiwan University	
<b>Accumulation of Knowledge Capabilities: The Perspective of Knowledge-based View and Network Theory.....</b>	<b>383</b>
Ming-Chao Wang and Shih-Chieh Fang, National Cheng Kung University	
<b>Knowledge Network and Innovation Activities by MNC Subsidiaries: The Effects of Internal and External Knowledge Resources .....</b>	<b>388</b>
Feng Liang, Rutgers University; Dean Xu, China Europe International Business School (CEIBS)	
<b>The Required Intensity and Media-richness of Communication among Strategic Partners in New Product Development Projects .....</b>	<b>394</b>
Yuosre Badir and Barbara Igel, Asian Institute of Technology	
<b>Management of Information Flow in Innovation Networks.....</b>	<b>404</b>
Avi Messica, The College of Management (Israel)	

## Session D1 - Globalization R&D

Session Chair: Subhankar Dhar, San Jose State University

<b>Understanding Organizational Capabilities for Effective Offshoring.....</b>	<b>412</b>
Petra Edoff and Jayakanth Srinivasan, Malardalen University	
<b>Optimizing Financial Parameters to Disincentivise International Grey Traffic and Rationalization of Measures to Curb Illegal International Telephony in Pakistan.....</b>	<b>419</b>
Muhammad Choudhary, University of Engineering & Technology; Aftab Hina, National University of Science & Technology	
<b>From Outsourcing To Cloud Computing: Evolution of IT Services.....</b>	<b>434</b>
Subhankar Dhar, San Jose State University	
<b>Principles and Business Improvement Initiatives of Lean Relates to Environmental Management System .....</b>	<b>439</b>
A.P. Puvanasvaran, Robert S.T. Kerk, M.R. Muhamad, Universiti Teknikal Malaysia Melaka	

## Session D2 - Facilitating Collaboration

Session Chair: Bob Shapiro, VP of Conferences, Technology Management Council

<b>Evolution of the Corporate Venture Capital Operations of Japanese Electronics Companies.....</b>	<b>445</b>
Katsuya Hasegawa, The University of Tokyo	
<b>Factors that Drive Success in Collaborative Product Development.....</b>	<b>454</b>
Sanjay Mathrani, Anuradha Mathrani and Cathy Liu, Massey University	
<b>Taxonomy of Technology Roadmaps in Service Areas.....</b>	<b>462</b>
Chanwoo Cho and Sungjoo Lee, Ajou University	
<b>An Analysis Model for Health Information Technology Adoption.....</b>	<b>468</b>
Nima Behkami, Portland State University & Oregon Health Sciences University; Tugrul Daim, Portland State University	
<b>Role of Lead Market Factors in Globalization of Innovation: Emerging Evidence from India &amp; its Implications.....</b>	<b>475</b>
Rajnish Tiwari and Cornelius Herstatt, Hamburg University of Technology	

## Session D3 - Risk Management in Supply Chains

Session Chair: Md. Mamun Habib, American International University - Bangladesh

<b>Evaluating Process Capability under Undetected Fluctuations .....</b>	<b>484</b>
Yu-Ting Tai, Kainan University	
<b>Managing the Risks of Outsourcing in Supply Chain Networks.....</b>	<b>488</b>
Ka Man Lee, Yu Ching Yeung, William Hong, Nanyang Technological University	
<b>System Dynamic Methodological Approach for Design and Analysis of Risk in Supply Chain .....</b>	<b>495</b>
Atul Sidola, Pradeep Kumar and Dinesh Kumar, Indian Institute of Technology Roorkee	
<b>Towards An Approach for Measuring the Risk-Bearing Capacity of Construction Contracts.....</b>	<b>501</b>
Chen-Yu Chang, University College London	
<b>Assessing Security Risk in Global Supply Chains .....</b>	<b>510</b>
Mary Meixell and Mario Norbis, Quinnipiac University	

## Session D4 - HR Management of Innovation

Session Chair: George Farris, Rutgers University

<b>Technology and Human Resource Management Methodology in "Kaikaku" (Corporate Innovation) Program .....</b>	<b>516</b>
Kumiko Shirai, Nihon Unisys, Ltd.; Ichiro Koshijima, Nagoya Institute of Technology; Tomio Umeda, Chiba Institute of Technology	

<b>How Contract Manufacturers Compete with Their Clients: A Case Study of Innovation Capability Reconfiguration .....</b>	<b>522</b>
Ting-Kuei Kuo, Natioanl Taiwan University of Science & Technology	
<b>Perception of Innovation in Companies: Measuring the Mindset of Tangible and Intangible Innovation in Companies .....</b>	<b>532</b>
Emma Lindberg, Josef Ekman, Johan Andersson, Filip Bengtsson Cecilia Waldehorn and Fredrik Nilsson, Lund University;	
<b>Managing IT Innovation: Recessionary Service and Staffing Model Perspectives .....</b>	<b>543</b>
Joseph M. Woodside, KePRO / Cleveland State University	

## **Session E1 - Energy and Climate Change Innovation**

Session Chair: Wil Thissen, Delft University of Technology

<b>The Path Towards Low-Carbon Governance for China .....</b>	<b>547</b>
Nannan Wang, Yen-Chiang Chang, Ronggui Ding, Peipei Li, Zihui Ling, Shandong University	
<b>A Study on Bicycles Promotion for Reductions in CO<sub>2</sub> Emissions.....</b>	<b>551</b>
HongJoo Lee, Tai-Woo Chang and Hyunsoo Kim, Kyonggi University	
<b>The Policy Impact on Clean Technology Diffusion .....</b>	<b>558</b>
Yi-Tui Chen, National Taipei University of Nursing and Health Sciences; Dong-Shang Chang, National Central University; Chia-Yon Chen, National Cheng Kung University	
<b>Energy Security Innovation at Industrial and Military Installations: A Multicriteria Analysis with Regulatory, Environmental, Economic, and other Emergent Conditions .....</b>	<b>569</b>
James Lambert, Christopher Karvetski and Michelle Hamilton, University of Virginia; Igor Linkov, Tarek Abdallah and Melanie Johnson, US Army Corps of Engineers; Renae Ditmer, STRATCON LLC; Jeffrey Keisler, University of Massachusetts Boston	

## **Session E2 - Partnering for Innovation**

Session Chair: Tugrul Daim, Portland State University

<b>The Effects of a Focal Firm's Internal and External Boundary Conditions on the Performance Implication of R&amp;D Alliance Participation.....</b>	<b>575</b>
Cheng-Yu Lee, Southern Taiwan University; Ming-Chao Wang, National Cheng Kung University; Jung-Ching Lin, National Taiwan University	
<b>The Absorptive Capacity for Complex, Science-based Innovation: The Case of Bio-pharmaceuticals.....</b>	<b>587</b>
Danielle Dunne, Fordham University; Deborah Dougherty, Rutgers University	
<b>Do Co-Publications with Industry Lead to Higher Levels of University Technology Commercialization Activity? .....</b>	<b>591</b>
Poh-Kam Wong and Annette Singh, National University of Singapore	
<b>Absorptive Capacity for Radical Innovation: A Case Study in the Semiconductor Industry .....</b>	<b>601</b>
Pascal Le Masson and Benoît Weil, MINES ParisTech; Patrick Cogez and Yacine Felk, STMicroelectronics	
<b>The Challenge of University Startups in the USA: A Lesson from Successful Cases .....</b>	<b>615</b>
Paul Swamidass, Auburn University	

## Session E3 - Outsourcing Issues in Global Supply Chains

Session Chair: Md. Mamun Habib, American International University - Bangladesh

<b>Monte Carlo Simulation Based Estimations: Case from a Global Outsourcing Company .....</b>	<b>619</b>
Jyotirmoy Dasgupta, Patni Computer Systems Limited; G. Sahoo, Birla Institute of Technology; R. P. Mohanty, ITM Group of Institutions	
<b>Applicability of the UTAUT Model in Playing Online Game through Mobile Phones: Moderating Effects of User Experience .....</b>	<b>625</b>
Shui-Lien Chen, Chi-Jung Kuan and Hsiang-Ling Huang, Tamkang University; Yung-Hsin Lee, National Taiwan University of Science and Technology	
<b>The Global Data Synchronisation Network (GDSN): Technology and Standards Improving Supply Chain Efficiency .....</b>	<b>630</b>
Sean Lockhead, GS1	
<b>Relationship between Country of Origin, Brand Experience and Brand Equity: The Moderating Effect of Automobile Country.....</b>	<b>638</b>
Shui-Lien Chen and Yi-Jing Wu, Tamkang University; Wei-Chun Chen, Ming Chuan University	
<b>Hands-off the Mess: Contract Choice for Business Process Outsourcing .....</b>	<b>643</b>
Ling Ge, University of Massachusetts Dartmouth	

## Session E4 - Management of Knowledge Creation

<b>Strategic Management of Scrum Projects: An Organizational Learning Perspective.....</b>	<b>651</b>
Rafael Landaeta, Andreas Tolk, Old Dominion University; Stacia Viscardi, Agile Evolution, Inc.	
<b>Management System for Multidisciplinary University Research Institutes.....</b>	<b>657</b>
Simon Philbin, Imperial College London	
<b>Innovation Management in Subsidiaries of Multinational Corporations in the Brazilian Electro-Electronic Industry.....</b>	<b>666</b>
Muriel Gavira, University of Campinas & Technical University of Lisbon; Ruy Quadros, University of Campinas	
<b>A Pseudo-Psychological Inquiry on Research Personnel Management in the United States.....</b>	<b>674</b>
Karthik Mahesh Varadarajan, TU Vienna	
<b>Technical and Contextual Challenges in Developing Advanced Medicinal Products: The Example of Cytotherapeutic Development.....</b>	<b>680</b>
Carol Walton and Paul Heffernan, University of Cambridge	

## Session F1 - Sustainability Management and Policy

Session Chair: Bob Shapiro, VP of Conferences, Technology Management Council

<b>Geometric Scaling and Long-Run Reductions in Cost: The Case of Wind Turbines .....</b>	<b>691</b>
Srikanth Narasimalu and Jeffrey Funk, National University of Singapore	
<b>Material Adoption Practices of Wind Industry and its Effect on Product Scaling Trends .....</b>	<b>697</b>
Srikanth Narasimalu, Nanyang Technological University & National University of Singapore	
<b>Initial Development of a Metrics Framework for Green Competitiveness .....</b>	<b>706</b>
Jerry J.R. Ou, Bureau of Energy; JrJung Lyu, Chia-Wen Chen, National Cheng Kung University	
<b>A New Method for Maritime Traffic Safety Index Appraisal.....</b>	<b>711</b>
Rajesh Prabhu Gaonkar and Min Xie, National University of Singapore; Anil Kumar Varma, Singapore Maritime Academy	
<b>Practicing Sustainability in PFI Project Management.....</b>	<b>717</b>
Nannan Wang, Ronggui Ding and Hua Sun, Shandong University; Milan Radosavljevic, University of Reading	

## Session F2 - Intellectual Property

Session Chair: Terri Griffith, Santa Clara University

- Exploring an Essential Patent through a GTM-based Standard Map** ..... 723  
Seonkoo Jeong and Byungun Yoon, Dongguk University
- Technology Roadmapping Based on Patent Citation Network  
Considering Technology Life Cycle** ..... 731  
Yujin Jeong and Byungun Yoon, Dongguk University
- Does Pro-patent Policy Spur Innovation?: A Case of Software Industry in Japan**..... 739  
Kazuyuki Motohashi and Masayo Kani, University of Tokyo

## Session F3 - Purchasing and Supply Management Issues

Session Chair: Tugrul Daim, Portland State University

- Identifying Purchasing Competences and Organizational Configuration  
for Innovative Product Development**..... 745  
Linda Zhang, University of Groningen
- Headquarters-Centered Common Sourcing Management:  
Order Coordination and Order Consolidation** ..... 752  
Ting Zhang and George.Q Huang, The University of Hong Kong
- Supplier Selection in Webinar Supply Chain Using Self-organizing Maps and Data Mining** ..... 759  
Roya Hosseini, Nahid Ghassabzadeh Saryazdi, Sayyed Alireza Hashemi Golpayegani  
Amirkabir University of Technology
- Dynamic and Adaptive Price Quotation in a Make-to-Order Company**..... 765  
Jian Zhang, Barrie R. Nault and Yiliu Tu, University of Calgary
- Diversification Strategies in Emerging Industries: A Supply Network Perspective** ..... 770  
David Kirkwood and Jagjit Srail, University of Cambridge

## Session F4 - Optimizing Knowledge Management in Changing Organizations

Session Chair: John Delany

- Engineering Problem Solving and Knowledge Creation: An Epistemological Perspective** ..... 777  
Rachel Itabashi-Campbell, Sheri Perelli, Julia Gluesing, Wayne State University
- From Belonging to Technology Diffusion: A Critical Role  
of Perceived Organizational Support** ..... 790  
Sheng-Tsung Hou, Feng Chia University; Hsueh-Liang Fan, National Chengchi University
- The Impact on Project Success of Using Technology  
in Modern Project Planning and Control**..... 801  
Svein-Arne Jessen, Norwegian School of Management
- Strategy and Technology Management: An Innovation-Leader Case Study**..... 806  
Bill Williams, Setubal Polytechnic Institute & CEG-IST; José Figueiredo, CEG-IST & UTL
- Electronic Management Systems: Efficient Tools and Inefficient Implementation Processes** ..... 812  
Josefin Ejlertsson, Emelie Gustafsson, Henrik Hagman, Magnus Hellgren, Hannes Ullman,  
Lund University

## Session G1 - Open Innovation

Session Chair: Terri Griffith, Santa Clara University

<b>Describing Knowledge Integration in Innovation Processes</b> .....	<b>819</b>
Toshiro Kita and Masaki Ohtsuka, Doshisha University	
<b>Dynamic Open Innovation Model of Research and Development Management for Enterprise Globalization</b> .....	<b>827</b>
Wu Li-Jen, Feng Chia University & National Cheng Kung University & William Science and Technology Research Co., Ltd; Tsai Chien-Tzu and Chang Pao-Long, Feng Chia University	
<b>How Does Openness Affect Academic Production? Empirical Evidence from the National Key Laboratories of China</b> .....	<b>836</b>
Ping Lv and Xielin Liu, Graduate University of Chinese Academy of Sciences	
<b>Innovation Networks: Exploring Inter-organizational Dynamics in Open Innovation Environments</b> .....	<b>845</b>
Pablo Munoz and Lucy Lu, Newcastle University	

## Session G2 - Inventory Management

Session Chair: Tugrul Daim, Portland State University

<b>Lean Production and Business Efficiency: An Artificial Neural Network Analysis in Auto Parts Companies</b> .....	<b>855</b>
Jose Antonio Arantes Salles, UNINOVE; Luis Eugenio Carretero Diaz and Pablo Garcia Estévez, UCM	
<b>Development of a Decision Support System for Inventory Analysis and Control</b> .....	<b>864</b>
Numera Tahir, Muhammad Abbas Choudhary, National University of Science and Technology	
<b>An Integrated Modeling for Supplier Selection and Optimal Lot Sizing: A Case Study of Four-Echelon Supply Chain</b> .....	<b>877</b>
Behin Elahi and Seyed-Mohammad Seyed-Hosseini, Iran University of Science and Technology; Leila Etaati, Islamic Azad University	

## Session G3 - Managing Change and Maintaining Organizational Performance

Session Chair: John Delany

<b>An Exploratory Study on Change Resistance Measurement</b> .....	<b>885</b>
Joshua C. Chang, Chien-Kuo Technology University	
<b>Employee-Organization Relationship and Job Performance</b> .....	<b>892</b>
Hsi-An Shih and Hui-Wen Tsay, National Cheng Kung University; Chu-Chun Hsu, Southern Taiwan University	
<b>The Usage of Learning Journals in a Technology Management Education</b> .....	<b>900</b>
Charlotta Johnsson, Fredrik Nilsson, Gudbjorg Erlingsdottir, Carl-Henric Nilsson, Goran Alsen, Lund University	
<b>Analysis of Influencing Factors on Doctor's Prescription Behavior in China</b> .....	<b>905</b>
Weihui Dai and Jiapeng Chai, Fudan University; Huajuan Mao and Xiaohua Hu, Second Military Medical University	

## Session H1 - IT Adoption

Session Chair: George Farris, Rutgers University

<b>Technology Management in the Environment of Convergence and Disruptions</b> .....	<b>913</b>
Jarmo Harno, Wipro Technologies	
<b>Analysis of Factors Affecting the Adoption of Smartphones</b> .....	<b>919</b>
Young Mo Kang, Chanwoo Cho and Sungjoo Lee, Ajou University	
<b>The Innovation Strategies of Government Agencies in Implementing Information Systems</b> .....	<b>926</b>
Fang-Ming Hsu and Yu-Tzeng Lin, National Dong Hwa University; Chiu-Tsu Fan, Tunghnan University; Wen-Hsi Chang, National Archives Administration	
<b>Risk Governance Framework for Enterprise-Wide Application Implementations</b> .....	<b>932</b>
Saumyendu Ghosh and Miroslaw Skibniewski, University of Maryland College Park; James William Boswell and Young Hoon Kwak, The George Washington University	
<b>An Empirical Study of the Adoption Dynamics of Beta Products in Co-creation</b> .....	<b>939</b>
Saku J. Makinen, Juho Kanninen and Ilkka Peltola, Tampere University of Technology	

## Session H2 - Project and Technology Issues in Supply Chains

Session Chair: Md. Mamun Habib, American International University - Bangladesh

<b>Logistics Technology Transfer Process Model</b> .....	<b>944</b>
Abdullah Al Hajri, Sultan Qaboos University; Maruf Hasan, University of New South Wales	
<b>An Exploratory Study of Supply Chain Management for Tertiary Educational Institutions</b> .....	<b>957</b>
Md. Mamun Habib, American International University - Bangladesh	
<b>The <i>AutoVenture Forum</i>: Demonstrating a New Process for Managing Automotive Innovation</b> .....	<b>964</b>
David Bodde and John Skardon, 1Clemson University; Ethan Byler, ASME	
<b>Supply Chain Performance Evaluation: A Case Study in a Company of Equipment for Refrigeration</b> .....	<b>969</b>
Emilio Della Bruna Jr, Leonardo Ensslin, Sandra Rolim Ensslin, Federal University of Santa Catarina	
<b>Alignment of After-Sales Services with Measures to Improve Quality: A Case Study in a Major Auto Assembly Plant in Brazil</b> .....	<b>979</b>
José Antonio Salles, Alexandre Oliveira Dias and Rosangela Vanalle, Nove de Julho University	

## Session H3 - Innovative Strategies of Entrepreneurial Firms

Session Chair: Xiaohong "Iris" Quan, San Jose State

<b>The Framing of Entrepreneurship</b> .....	<b>985</b>
Robert Zacca, United Arab Emirates University	
<b>A Piece of the Action: Lessons from Silicon Valley's First Semiconductor Enterprise</b> .....	<b>992</b>
Stephen Adams, Salisbury University	
<b>How Can Executives/Entrepreneurs in Small to Medium Sized Software Enterprises Leverage Partnerships with Large Firms?</b> .....	<b>1001</b>
Kyootai Lee, UNIST; Kailash Joshi, University of Missouri-St.Louis	
<b>A Framework to Manage the Innovation Strategies of New technology Based Firms</b> .....	<b>1007</b>
Shirley Davey, Brian Meenan and Rodney McAdam, University of Ulster; Michael Brennan, Ulster Business School	
<b>Changing Entrepreneurial Strategies to Developing Capitalist Institutions: A Look at Chinese Technology Entrepreneurs</b> .....	<b>1014</b>
Charles Eesley, Stanford University; Delin Yang, Tsinghua University	

## Session J1 - Alternative Energy

Session Chair: Steve Adams, Salisbury University

<b>An Inverse Innovation for Photovoltaic (PV) Industry .....</b>	<b>1034</b>
Mitsuyuki Maeda and Kinji Mori, Tokyo Institute of Technology	
<b>Dynamics of Innovation in Solar Cell Industry: Divergence of Solar Cell Technologies .....</b>	<b>1042</b>
Yukihiko Nakata, Ritsumeikan Asia Pacific University	
<b>Bridging the Gaps in Industry Evolution: Solar Photovoltaic Industry.....</b>	<b>1048</b>
Gregory Theyel, Glen Taylor and Paul Heffernan, University of Cambridge	
<b>Striving for Business Excellence: Achieving "Energy Smartness" by Living It .....</b>	<b>1053</b>
Narayana G.P.L. Mandaleeka, Tata Consultancy Services, Ltd.	

## Session J2 - Strategic and Tactical Issues in SCM

Session Chair: Md. Mamun Habib, American International University - Bangladesh

<b>Corporate Social Responsibility, Size, and ICT Firm Performance .....</b>	<b>1058</b>
Cheng Zhang, Xiaoya Liang and Xiongwen Lu, Fudan University; Gilbert Bock, Sungkyunkwan University	
<b>A Dynamic Virtual Hub Location Problem in Airline Nnetworks: Formulation and Metaheuristic Solution Approaches.....</b>	<b>1061</b>
Ehsan Teymourian, Farzin Taghipourian Farzinloo, Mazandaran University of Science and Technology; Ali Sadeghi, Amirkabir University of Technology	
<b>Finding Business Partners and Building Reciprocal Relationships – A Machine Learning Approach .....</b>	<b>1069</b>
Junichiro Mori, Yuya Kajikawa, Hisashi Kashima, The University of Tokyo	
<b>Case Study: Collaboration of Premier Foods and British Sugar on the way to CIPS 2010 Best Supplier Relationship Management Award.....</b>	<b>1074</b>
Elcin Erkin, University of Strathclyde, Glasgow
